Prince Harry and ...

While Prince William gets the fancy wedding and the right to one day be crowned king, it is his brother, Prince Harry, who truly has the lifestyle envied by millions. Harry has a public image as a dashing, debonair young man with good looks, a charming manner, and a status as one of the most eligible bachelors. The self-styled playboy prince being seen with stunning women, including Norwegian Camilla Romestrand. Not too many women find a royal title a turn-off. But, it emerged recently that Harry's girlfriend Chelsy Davy will accompany him to William's marriage to Kate Middleton at Westminster Abbey and two other private functions on the same day.

Census Estimates

Hit by a poor economy and an aging population, a near-record number of United States counties are experiencing more deaths than births in their communities. This phenomenon demographers call "natural decrease." Roughly, 760 of the nation's 3,142 counties are fading away, stretching from Pittsburgh and Cleveland to San Francisco to the areas of east Texas and the Great Plains. Once-booming housing areas, such as retirement communities in Florida, have not been immune.
